

EVENING COURSE ON WELDING TECHNOLOGY FOR FRESH ENGINEERS (EC 056)

About the course:

The course is ideal for 3rd year & Final year engineering as well as final year Diploma students, Fresh Engineering Graduates & People desires to have knowledge on welding.

Course content:

- ❖ Introduction to Welding Processes
- ❖ Shielded Metal Arc and Submerged Arc Welding
- ❖ Tungsten Inert Gas and Metal Inert Gas Welding
- ❖ Basic Metallurgy & Heat Treatment
- ❖ Welding of Carbon Steels
- ❖ Welding of Alloy and Stainless Steels
- ❖ Weld Defects, Causes & Remedies
- ❖ Mechanical Testing of weldments
- ❖ Liquid Penetrant Inspection and Magnetic Particle Inspection
- ❖ Ultrasonic and Radiography Inspection
- ❖ Welding Procedure and Welder Qualification
- ❖ Outline of ASME BPVC & AWS D1 Codes
- ❖ ½ day industrial visit and live demonstration of welding process

Duration: 17.02.2020 to 23.02.2020

Course Timings: 17.30 Hrs. to 21.30 Hrs.

Venue:

Institutions Building
Near 'B' Sector Shopping Complex
Kailasaparam Township,
Tiruchirappalli- 620 014

Course Fee:

- For IWS Members & Industrial corporate members: 2700/-
- For Non Members: 3200/-
- Last date for registration: 15.02.2020

Payment Details:

The fees should be preferably paid by a crossed DD/Cheque payable to Indian Welding Society Southern Zone at Tiruchirappalli or by E-Transfer. All the courses are Non Residential.

For E. Transfer	
Account Name:	Indian Welding Society Southern Zone
Name of the Bank:	ICICI Bank, Trichy Cantonment Branch
Branch Code:	6204
MICR Code:	620229002
Account Number	620401068440
RTGS / NEFT/ IFSC Code Number:	ICIC0006204
PAN No:	AAAT19335E
TAN No:	DELI09344G
ST REGN.No:	AAAT19335ESD001
